How we can help.

Challenges to mental well-being come in many forms, and so do the ways we can work through them. Whether you need help reducing stress, are feeling motivated to make a change in your life, or need to talk to someone, Cigna offers a variety of behavioral support tools and services to help ensure you get the support that works best for you.
Virtual counseling

Receive quality, behavioral health care without leaving home. Simply connect via your phone, computer or tablet and you can:

- Have access to more than 44,000* clinicians in Cigna’s behavioral network.
- **Schedule appointments** online with licensed counselors or psychiatrists through our virtual only provider groups.
- Get access to providers with a wide variety of specialties such as autism and substance use, as well as providers who specialize in treating emergency responders.
- Use new modality options, such as private text therapy with providers like Talkspace.
- Receive confidential treatment for conditions such as stress and anxiety.
- Use our Fast Access network which guarantees first-time appointments in five business days and a callback within one business day.²
- Have a prescription sent directly to your pharmacy, if appropriate.
- If you have EAP (Employee Assistance Program),³ you have access to virtual counseling, work/life referrals and resources. To learn more, visit [myCigna.com](http://myCigna.com).

Programs and digital tools, all at no additional cost to you.

Services to help manage life events:

➢ Up to three free sessions⁴ with a licensed clinician in our employee assistance program network.
➢ On-demand seminars, community resources and referrals on a range of topics.
➢ Virtual behavioral care allows you to speak with a counselor on your phone, tablet or home computer.

Find support for a range of topics, including:

➢ Anxiety, depression and stress management
➢ Parenting, relationships, child care and adoption
➢ Pet care, education, identify theft support
➢ Legal and financial consultation services⁵

Self-service digital tools and resources

iPrevail® offered through Cigna provides on-demand coaching, personalized learning and caregiver support. Complete an assessment, receive a program tailored to your needs, and get connected to a peer coach.

Happify® offered through Cigna is a self-directed program with activities, science-based games and guided meditations, designed to help reduce anxiety, stress and boost overall health.

Additional Resources

➢ Find a provider
➢ Managing Stress Toolkit
➢ Changing Lives by Integrating Mind and Body® (CLIMB) stress management podcasts
➢ Veterans support
➢ My Health Assistant (under the Wellness tab)
Cigna Behavioral Programs

Mental health
We can help you find support when you need it most. From inpatient and outpatient services to online tools, behavioral coaches, and educational support – we’re here for you.

> **Centers of Excellence (COEs)** – Cigna has a nationwide network of COEs which provide quality and affordable inpatient and residential care as well as partial hospitalization and intensive outpatient care, for mental health disorders.

> **Coaching & Support** – We provide dedicated support to help you and your family address challenges such as autism spectrum disorder, eating disorders, and intensive behavioral case management. We also offer coaching and support for parents and families, which empowers individuals to be effective advocates for their child, loved one or for themselves.

> New modality options, such as private text messaging with providers like Talkspace.

> **Behavioral Awareness Series** – Free monthly seminars on topics including autism, eating disorders, substance use, children and families.

> **Find a provider** – Find a health care professional or facility in Cigna’s network geared towards your needs.

If you or a loved one is in crisis, call the number on your ID card 24/7/365.
Cigna Behavioral Programs

Substance use

If you or a loved one are struggling with substance use, it can affect everything. We’re here to help you on the road to recovery with inpatient and outpatient services, online tools, behavioral coaches, and educational support.

> **Centers of Excellence (COEs)** – Cigna has a nationwide network of COEs which provide quality and affordable inpatient and residential care as well as partial hospitalization and intensive outpatient care, for substance use disorders.

> **Coaching & Support** – We help to remove barriers to accessing and engaging in substance use, opioid use and pain management treatment. We provide treatment resources and support too. Coaching and support for parents and families is also available. This program empowers parents and family members to effectively advocate for their loved one, or their own needs.

> **Virtual Medication – Assisted Treatment** and peer recovery support available.

> New modality options, such as private text messaging with providers like Talkspace.

> **Behavioral Awareness Series** – Find information to help understand risks, causes, and substance use support options – for you, or someone you know.

> Additional resources on opioids.

> **Find a provider** – Find a health care professional or facility in Cigna’s network geared to your needs.

If you or a loved one is in crisis, call the number on your ID card 24/7/365.
Coaching and support services

Our programs give you access to behavioral experts with extensive experience.

Our team can help you:

> Understand a behavioral diagnosis.

> Address challenges with autism spectrum disorders, eating disorders, substance use, opioid use and pain management.

> Learn about treatment choices and how your choices can affect what you’ll pay out of pocket.

> Identify and manage triggers that affect your condition.

> Find a health care professional or facility in Cigna’s network geared to your needs.

> Visit myCigna.com or call the number on the back of your Cigna insurance card.

We also offer coaching and support for parents and families, which empowers individuals to be effective advocates for their child, spouse or family member or receive help for their own needs.
Cigna Behavioral Programs

Lifestyle management programs

Smoking, obesity and stress pose significant threats to physical and behavioral wellness. Fortunately, these conditions can be managed through healthy lifestyle habits, and we offer services that can help.

Reach your goals:

- Lose weight
- Quit tobacco
- Manage stress

Coaching and support:

- Telephone and online coaching
- Dedicated wellness coaches help customers understand reasons for and barriers to change
