

X-ray Submission and Return Policy - 2027.

Cigna Dental Care® Network Specialists

The chart below shows the procedures for which all **Cigna Dental Care® Network Specialists** are required to submit radiographic images (X-rays). To return radiographic images, you must include a self-addressed stamped envelope. When submitting claims electronically, you can submit radiographic images using standard EDI275 attachment transactions through your clearinghouse, National Electronic Attachment (NEA®), *FastAttach®*, DentalXChange®, or ClaimConnect™.

Radiographs must be of diagnostic quality, whether submitted electronically or delivered by mail. We cannot accept poor-quality images or images sent by FAX.

When submitting a claim for any implant-related codes, please submit a complete series of radiographic images.

Please note that Cigna Dental Care® Network General Dentists do not need to send in radiographic images or pre-authorize services that they will perform. There are no deductibles or annual maximums on the Cigna Dental Care® plan.
